Vacation Approval forms will be available on team signing day. All practices are mandatory however, athletes will be excused for vacation as long as the vacation does not conflict with choreography, competition, and/or any other competition related event.

We realize many athletes are involved in a variety of activities; however, we cannot make exceptions for schedule conflicts. We expect to be a top priority with 100% commitment and attendance. If our policy is violated, the athlete may be removed from the program. All vacations must be arranged around our breaks and include plenty of travel time in case of delayed air travel or other unexpected travel incidents.

Sick or injured:

Athletes who are sick must bring in a doctor's note in order for it to be an excused absence.

Multiple missed practices, even if it is excused will jeopardize an athlete's position in the routine and/or spot on the team. If an injury occurs and that athlete is fully recovered, it is up to the gym owner/coach when the athlete may return to the routine.
